11	<p>The click2try Catalog highlights the most popular open source software.</p>	 <p>The screenshot shows the click2try Applications Catalog website. The top navigation bar includes the site logo, user login fields, and a search bar. The main content area is titled 'Applications Catalog' and features a 'Categories' section with a list of software categories such as Business Intelligence, Communications, Content Management, and Human Resource Management. Below this, there is a 'Content Management' section with 'Featured Applications' including Joomla 1.5 and Dokuwiki, each with a brief description and a star rating.</p>
		 <p>The banner is divided into two main sections. The top section, 'CLICK2TRY RESOURCES', is on a yellow background and lists 'Tutorials' and 'User Reviews'. The bottom section, 'THIRD PARTY RESOURCES', is on a purple background and lists 'Reviews & Testimonials', 'Documentation', and 'Forums, Blogs & Wiki'.</p>
